To whom it may concern:

Mr. John Murphy has been a presenter for the Partners in Education department for six years. He is a sought-after historical presenter for our elementary school Colonial Day events. Mr. Murphy does a wonderful job portraying an 18<sup>th</sup> Century surgeon. He captures the students' imagination and brings this historical period to life. One of our elementary schools schedules its entire event around his availability!

It takes a gifted and engaging presenter to work with elementary students; Mr. Murphy holds their attention and takes them back to the 18<sup>th</sup> Century. We appreciate and applaud his passion, his professionalism and his talents.

We look forward to a continued relationship with Mr. Murphy and give him the highest recommendation. When he comes in to your classroom, he will leave your students with a greater understanding of life in the 1700s. If you have any questions, please don't hesitate to contact me.

Sincerely,

Kim Litzau
